Pursuant to the instructions issued in Government's circular memorandum cited above, I have constituted The District Committee for the collection of public contributions to the "The Madras State Famine Relief Fund". The Committee comprises of the Collector as the President, one Vice-President, the Treasury Deputy Collector as the Honorary Treasurer, one Secretary, one Joint Secretary and eighteen members. Seven of the Committee members contributed a sum of Rs.1800/- on the day of the formation of the committee itself and a resolution thanking them was also passed

2. . In para 2 of the Government memorandum cited above it has been stated that Gazetted Officers can associate themselves with the Committee and work in furtherance of the objectives of the Committee. But it is not clear whether they can be made members of the committee. I submit that Gazetted Officers may also be permitted to be on the District Committee as members and authorised to receive public contributions and issue receipts for the amounts received by them, as it may not be possible for the Treasurer alone to receive and issue receipts.

As receipts have to be issued for the contributions received, the receipt books required ~~have~~ are being printed locally.
